Discussion Topics

Skyward Family Access - is a portal that provides SST parents access to the student's profile, grades, assignments, attendance and helps parents make informed decisions about their student's education.

ParentSquare

Parent Square Access - is a secure, user-friendly platform that revolutionizes school-to-home communication. With multi-language messaging, private chats, district alerts, and more, it connects everyone for a vibrant school community. ParentSquare provides a mobile application and empowers SST parents in today's ed-tech world, ending one-way communication and making them active participants in their child's education.

Attendance Requirements - Texas State law mandates that a Prek-12 student must be in attendance for 90% of the time a class is in session to be promoted to the next grade level, regardless of whether the student's absences are excused or unexcused. *(For more information, please see 2023-2024 Student - Parent Handbook, page 7-11)*

EXTRACURRICULAR
ACTIVITIES

Extracurricular Activities/Clubs & Athletics - Extracurricular clubs and sports are essential at SST because they help students develop skills, stay physically active, build friendships, and explore their passions. These activities also teach valuable life lessons, such as resilience and time management, while enhancing college and career prospects. Additionally, SST Extracurricular clubs foster a sense of belonging and school spirit, encourage cultural awareness, and provide opportunities for personal growth, making them a vital part of a well-rounded education.

School Calendar & Upcoming Events - It's crucial for SST parents to stay informed about the school calendar and upcoming events. This information ensures that SST parents are aware of school important dates; such as **parent-teacher conferences, campus, district and state assessments & exams, major school events, like annual festivals, seasonal fundraisings, school field trips and other school holidays**, allowing parents and students to plan and support their child's education effectively. Being informed helps our parents engage with the SST school community and stay involved in their child's academic journey, contributing to a successful and enriching school experience.

Before & After School Care Program - SST Before & Afterschool Care Program is designed to provide safe and enjoyable programs for all students. SST BASC Program is a childcare service that provides a fun, nurturing, educational, and safe environment before and after school. We aim to instill positive lifelong habits and social skills. In addition to educational programs, children will have many opportunities to engage in artistic and social activities.

Advanced Academic Courses (College Board Pre-AP & AP Courses, College Dual Courses, Scholarships) - It's vital for SST parents to be informed about Advanced Academic Courses, Dual Credit Courses, and many Scholarships, as this knowledge empowers them to guide their children's education, prepare for college or career paths, and reduce the financial burden of higher education. SST College, Career, and Military Readiness (CCMR) Advisors are helping SST students in secondary grade levels and providing necessary information and college guidance to ensure all SST students are college, career and military ready.
